AAQ achieves ISO9001:2008 certification

Applied Air Quality Specialists Sdn Bhd is proud to announce its Quality Management System is now certified ISO 9001:2008 compliant. The certification is accredited by Bureau Veritas, United Kingdom Accreditation Service (UKAS) and Department of Standards Malaysia (DSM).

Becoming accredited is a major milestone for the company. It was a top priority for us, to ensure that our processes meet such standards and to have achieved that puts us in a great position as we continue to grow.

The certification of compliance with ISO 9001:2008 recognizes that the policies, practices and procedures of our company ensure consistent quality in the services and work process we provide our clients. With this certification, our clients can be confident that Applied Air Quality Specialists Sdn Bhd is dedicated to maintaining the highest efficiency and responsiveness in achieving our ultimate goal.

We believe that our decision to become ISO 9001:2008 certified is a proactive one that not only anticipates the demands of our clients, but also demonstrates our commitment to providing quality services to all our clients.
