

DEVOODS®

MOISTURE & HUMIDITY CONTROL SPECIALIST

INDUSTRIAL DEHUMIDIFIER **MDH-180B**

CONTROL MOISTURE & HUMIDITY WITH **DEVOODS** DEHUMIDIFIER

The **DEVOODS** series dehumidifier is built particularly for air drying in closed rooms. The dehumidifier can prevent the formation of condensation, eliminate high air humidity and hold a specific air humidity constantly. The time which the dryer requires in order to achieve a specific humidity depends essentially on the environmental conditions. The attainable humidity value is equally dependent on the environmental conditions.

TECHNICAL SPECIFICATIONS

Model	MDH-180B
Dehumidifying capacity 30°C, 80% RH	180L/Day
Compressor Type	Rotary
Power Consumption	3400W
Power Supply	230-240V/1Ph/50Hz
Dimension (WxDxH) mm	780 × 465 × 1775mm
Net Weight	110kg
Fan Speed	2
Noise Level	63db
Warranty	2 years

SPECIAL FEATURES

- ✓ Rotary compressor with Environmental Friendly Refrigerant R410A
- ✓ Remote Interlocking / RS-485 Terminal
- ✓ LED display panel with touch-key
- ✓ Up to 24 hours timer
- ✓ Continuous drain out
- ✓ Auto Restart and Defrost
- ✓ Washable Air Filter
- ✓ Heavy Duty Caster
